## ASSOCIATED BRANDS

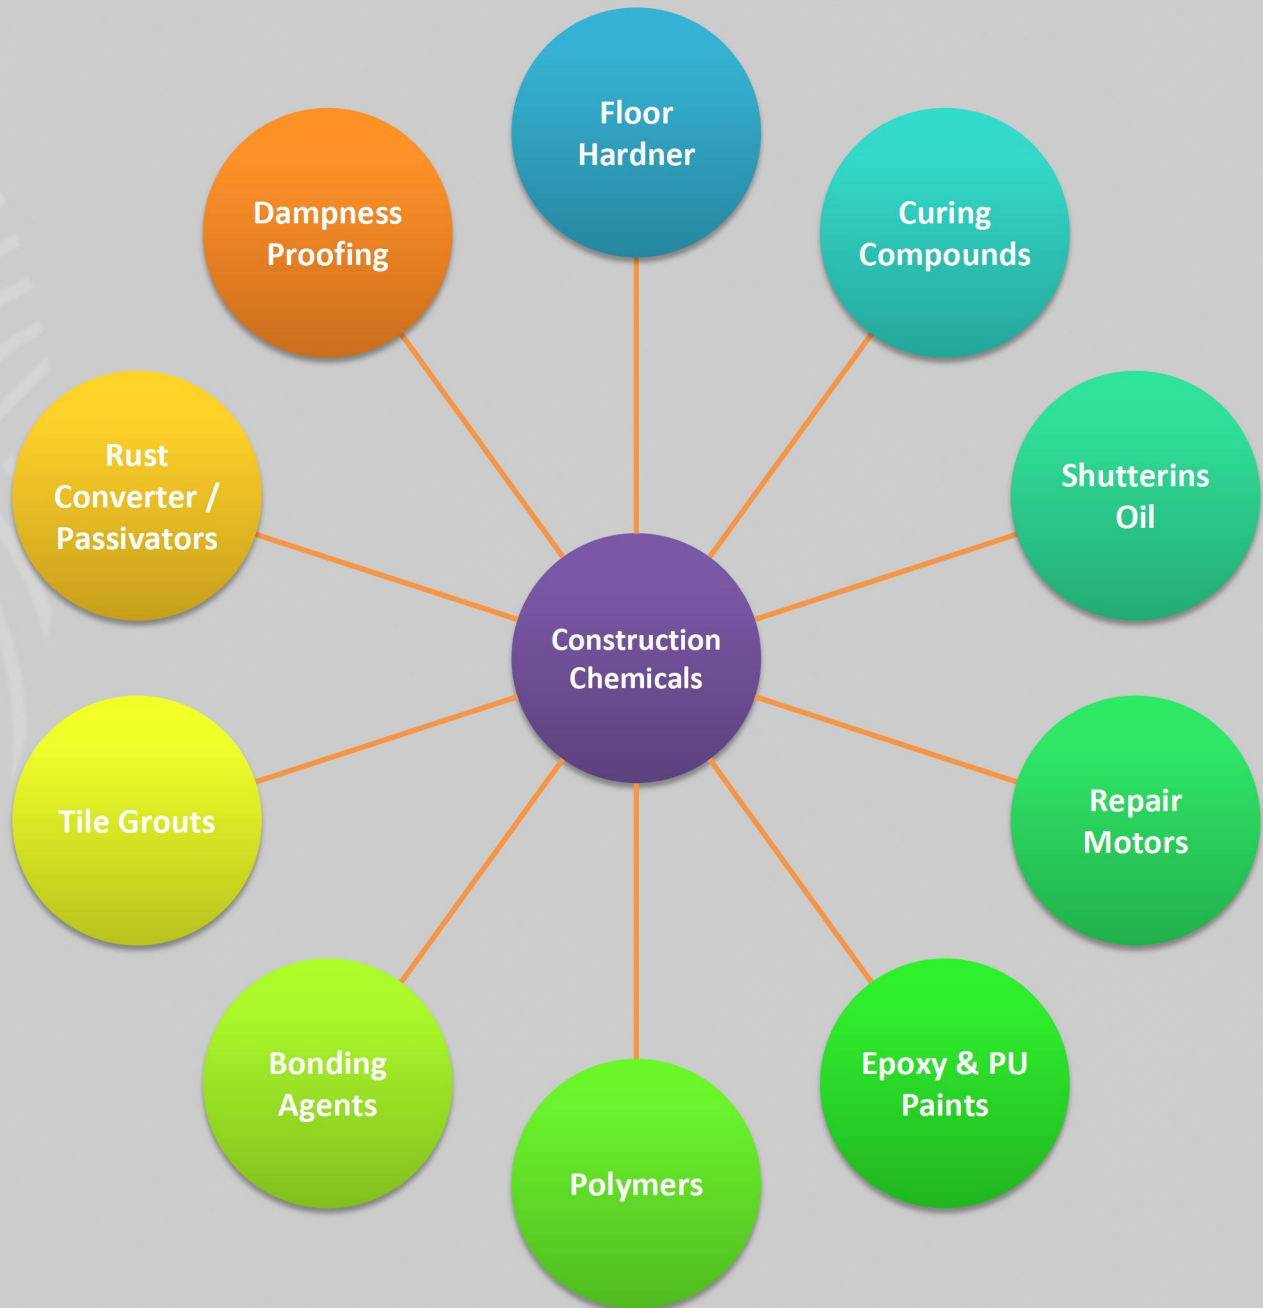

S O U J A N Y A

## OUR CLIENTS

## EPOXY FLOORING:

### Features

- ❖ Forms joint-less flooring
- ❖ Non dusting and easily cleanable
- ❖ Hygienic
- ❖ Very high mechanical strength

### Benefits

- ❖ Excellent chemical resistance
- ❖ Hard wearing
- ❖ Excellent antiskid properties

## CAR PARKING FLOORING:

### Benefits

- ❖ High wear resistance
- ❖ Dynamic and static crack-bridging properties
- ❖ Chemical resistance
- ❖ UV stability
- ❖ Rapid-curing

## PU CONCRETE FLOORING:

### Features

- ❖ Flooring resembles as marble or granite
- ❖ Easy maintenance
- ❖ High quality laminate flooring
- ❖ Resistant to thermal shocks
- ❖ Resistant to wear and impact
- ❖ Rapid return to service

## YELLOW LINE MARKING/ 5S MARKING:

### Benefits

- ❖ Organized work environment
- ❖ Prevents product loss
- ❖ provide Visual Cues for proper location.
- ❖ Transmit Important messages- such as extreme caution area

## SPORTS FLOORING:

### Features

- ❖ Easy Clean
- ❖ skid resistance
- ❖ Weather Resistance
- ❖ crack resistance
- ❖ Water Resistance

### Benefits

- ❖ Better impact absorption
- ❖ Easy maintenance
- ❖ Reduced chances of accidents
- ❖ Better Durability & resilience

## TRIMIX FLOORING:

### Features

- ❖ Elegant design
- ❖ Superior finish
- ❖ Smooth surface

### Benefits

- ❖ Less wear and tear of floor surface
- ❖ Increased compressive strength of floor
- ❖ Increased impact strength

## CONCRETE FLOOR DENCIFICATION:

### Benefits

- ❖ Effective in reducing dusting and improving the overall appearance of concrete floors
- ❖ Increase strength, durability & abstract resistance
- ❖ Versatile to use and easy to apply
- ❖ Easier to clean

## ROOF WATERPROOFING:

### Benefits

- ❖ Longevity
- ❖ Cost savings
- ❖ Energy efficiency
- ❖ Lower humidity
- ❖ Low maintenance
- ❖ Easy installation

## PU FLOORING:

### Features

- ❖ Cost effective
- ❖ Good abrasion resistance

### Benefits

- ❖ Versatility
- ❖ Protection
- ❖ Limited Risk

## **CEMENTITIOUS FLOORING:**

### **Benefits**

- ❖ Prevent Further Damage
- ❖ Reduce Risk of Injury
- ❖ Maintaining Appearances
- ❖ Staying Functional
- ❖ High on Utility

## **EPU FLOORING:**

### **Benefit:**

- ❖ Food grade certified product
- ❖ Easy clean
- ❖ Glossy look

## **CEMENTITIOUS FLOOR REPAIR:**

### **Benefits**

- ❖ Increased flooring thickness
- ❖ Strengthen the weak and fragile concrete
- ❖ Reduced wear and tear on equipment
- ❖ Reduced repair costs for finished construction
